Skills

- Angular
- Express Js
- Node Js
- Java
- Mongo DB
- HTML , CSS & Javascript

Technologies known

- Git and Github
- MS - Word, Excel

Education

- **B.Tech (Information Technology)**
  Anjalai Ammal Mahalingam Engineering
  College – Kovilvenni.
  2020-2024
  CGPA : 8.85
- **HSC**
  Neelan Matriculation Higher Secondary
  School – Needamangalam.
  2019-2020
  Percentage : 77.83%
- **SSLC**
  Neelan Matriculation Higher Secondary
  School – Needamangalam.
  2017-2018
  Percentage : 95%

Certifications

- Programming in Java by NPTEL (Awarded with Elite + Silver certificate) - 87%
- Introduction to Programming in C by NPTEL (Awarded with Elite certificate)- 73%
- Front End Development – HTML by Great Learning.
- SQL Projects for Beginners by Great Learning.
- Employability Skills Development Training programme conducted by TITAN LeAP.

Awards

- Topper of the Department (College)
  Year : 2021-2022, 2022-2023
- Best Outgoing Student of the Year (College)
  Year : 2023-2024

Experience

- **Associate Software Engineer**
  Accenture, Chennai | Nov 2024 – Present
  Working with MEAN stack (Mongo DB, Express Js, Angular, Node Js) to develop SPA applications

Project

- **Pizzaria Application - Angular Project**
  Technologies: Angular, HTML, CSS, Bootstrap, Express Js, Mongo DB
  Developed a dynamic pizza ordering system as a Single Page Application (SPA) using Angular.

- **Agri Intellect – Empowering Farmers with Smart Agricultural Solutions**
  Technologies: Flask, HTML, CSS, Python
  This project is about predicting the crop yield based on historical data which developed using a Flask-based web application it integrates CatBoost machine learning algorithm.
